THE ICC MEN'S T20 CRICKET WORLD CUP 2024  
BILL, 2024

**Explanatory Note**

(These notes form no part of the Bill but are intended only to indicate its general purport)

The main purpose of this Bill is to make provision for the efficient and effective staging of the ICC Men's T20 Cricket World Cup 2024 and for related purposes.

The Bill is divided into six Parts and contains 48 clauses.

Clause 1 would provide for the short title of the Bill.

Clause 2 would provide for the interpretation provisions.

Clause 3 would provide for the declaration of any area within the control of the Local Organising Committee or Cricket West Indies Inc. ("CWI") as a CWC 2024 venue and the declaration of a period as a match period. This is to be done by public notice published in the Gazette and in at least one daily newspaper.

Clause 4 would provide for CWI to have control of CWC 2024 stadia during a match period subject to the rights of any local authority responsible for public health, disaster management or national security.

Clause 5 would provide for traffic control and the making of deliveries within any CWC 2024 venue. This clause addresses the closure of roads or the institution of measures to control and regulate vehicular traffic for the purpose of CWC 2024.

Clause 6 would provide for the sale and distribution of CWC 2024 tickets.

Clauses 7 and 8 deal with visa requirements and the issuance of work permits.

Clause 9 would seek to give effect to the obligation of Host Countries regarding the waiver of import and export duties.

Clause 10 would provide for the exemption of taxes and duties on CWC 2024 tickets.

Clause 11 would prohibit the unauthorised entry into and exit from a stadium. A person must be a permitted entrant within the meaning of the Bill to enter and may only leave through an official exit, unless otherwise permitted.

Clause 12 would prohibit entry on the playing field and such other areas within the stadium as may be indicated during a match period. Contravention of this provision constitutes an offence and the offender may also be ordered to leave or may be removed from the CWC 2024 venue.

Clause 13 would provide for the designation of any area within a CWC 2024 venue for the duration of a match period as a reserved area or any seat within a CWC 2024 venue as a reserved seat. A person who is not the holder of a CWC 2024 ticket authorising him to be in a reserved area or occupy a reserved seat shall not do so unless authorised by CWI. Contravention of this provision constitutes an offence and the offender may also be ordered to leave or may be removed from the CWC 2024 venue or only from the particular area to which the contravention relates.

Clause 14 would seek to suspend the privileges of members of a stadium, with the consent of the owners of the stadium, during a match period.

Clause 15 would prohibit certain specified conduct of persons within any CWC 2024 venue.

Clause 16 would provide for the prohibition or restriction of certain items as specified in the Second Schedule. These would include dangerous objects, weapons and any article capable of being used as a weapon.

Clause 17 would provide for the surrender on request, of prohibited items or items used or which may be used in a manner prohibited by the Act for which this is the Bill.

Clause 18 would provide for the prohibition on the sale of goods or services in a CWC 2024 venue during a match period. Contravention of this provision constitutes an offence and the offender may also be ordered to leave or may be removed from the CWC 2024 venue.

Clause 19 would authorise the taking of photographs of persons who are suspected on reasonable grounds to have committed or have been involved in the commission of an offence in a CWC 2024 venue.

Clause 20 would provide for any person in a CWC 2024 venue, who has committed or has been involved in the commission of an offence, to provide his name and address to a police officer.

Clause 21 would prohibit certain advertisements on the land, building or structure within a CWC 2024 venue, except as authorised in writing by CWI.

Clause 22 would provide for the prohibition of the use of air space during a match period over a CWC 2024 venue with certain exceptions.

Clause 23 would provide for the prohibition of certain advertisements that relate to or are connected with CWI that are false or misleading.

Clause 24 would prohibit the commercial broadcasting, telecasting, recording or filming of any information relating to a CWC 2024 activity without the approval of CWI.

Clause 25 would prohibit certain trade practices. It deals with what is known as "ambush marketing" by association as well as with "ambush marketing" by intrusion.

Clause 26 would prohibit the promotional use of CWC 2024 tickets.

Clause 27 would provide for the prohibition of the unauthorised use of a CWC 2024 mark.

Clause 28 would provide for the prohibition of the infringement of a CWC 2024 mark or any other mark of IBC, ICC, WICB or CWI.

Clause 29 would seek to set out the CWC 2024 indicia and images that are not to be used without authorisation. The Third Schedule contains the list.

Subclause (3) provides that indicia and images that so closely resemble CWC 2024 indicia or images as to be likely to be mistaken for them by a reasonable person are also to be regarded as CWC 2024 indicia or images.

Clause 30 would define the actions that constitute application of CWC 2024 indicia and images to goods and services. It includes the application of the indicia and images to the goods as well as the application to advertisements to promote goods or services.

Subclause (2) seeks to deem advertisements that promote a particular person, within the scope of advertisements that promote goods or services.

Subclause (3) seeks to specify who is considered to have used the indicia or images for commercial purposes. If the indicia or image is applied to goods that are imported into the country for sale or distribution then the importer of those goods is taken to have used the expression for commercial purposes.

Clause 31 seeks to specify that CWI or IBC may license a person to use any one or more of the CWC 2024 indicia or images purposes.

Clause 32 would provide for the prohibition of the unlicensed use of CWC 2024 indicia or CWC 2024 images.

Clause 33 would seek to ensure that the legitimate interests of third parties in the use of the CWC 2024 indicia and images themselves are not unreasonably compromised. It provides that the use of the mark, indicia or images for the purpose of or in connection with the provision of information or for the purposes of criticism or review is not of itself an infringement. The provision of factual information, such as reporting in the media, is to remain unaffected.

Clause 34 would provide for the detention of goods that have a CWC 2024 mark, CWC 2024 indicia or CWC 2024 images which are not authorised to be used for commercial purposes.

Clause 35 would oblige the Comptroller to notify CWI or IBC of the detention of goods bearing the CWC marks, images or indicia. Within twenty-one days of receipt of the notice, the relevant party may apply for an injunction respecting the importation.

Clause 36 would authorise the Comptroller to release the goods in question where no application for an injunction has been made within the specified time or where the release has been consented to by CWI, IBC or a licensed user.

Subclause (2) authorises the Comptroller to release the goods if he is of the opinion that there was no contravention and that an application for an injunction was not made in relation to the importation of the goods.

Clause 37 would provide the power to the Comptroller of Customs to retain and not dispose of detained goods.

Clause 38 seeks to preserve existing rights. Subclause (1) makes it clear that existing rights granted under the Trade Marks Act or the Industrial Designs Act in relation to the CWC 2024 indicia or images or any other protected thing are not affected by the operation of the Bill.

Subclause (2) provides that the clause does not and is not intended to affect the use of any mark, indicia or images by a person (the first person) if, immediately before the commencement of the Act, for which this is the Bill, the first person would have been entitled to prevent another person from passing off, goods or services as the goods or services of the first person.

Subclause (3) seeks to make it clear that the Act, for which this is the Bill, does not apply and is not intended to apply to the use of a registered business name in connection with a business where the business name was registered in relation to that business immediately before the commencement of the Act.

Subclause (4) seeks to make it clear that the Act does not and is not intended to affect the use of the name of an incorporated company where the company existed before the commencement of this Act, the name was used in connection with a business the company carried on, and the company used the name in connection with that business immediately before the commencement of the Act.

Clause 39 would allow the High Court to grant injunctions against conduct that contravenes the prohibitions respecting the marks, indicia and images of CWC 2024. An injunction may be granted on the application of the CWI, IBC or a licensed user. The powers conferred on the High Court are in addition to, and not instead of, any other powers of the High Court.

Clause 40 would provide that the High Court may order a person, by such means as the Court thinks fit, including by broadcast or internet publication, to publish corrective advertisements if it is satisfied that the person has contravened the provisions respecting the use of the marks, indicia or images of CWC 2024.

Clause 41 would provide for damages to be recoverable by action in court.

Clause 42 would provide for an order by the court granting relief by way of an account of profits.

Clause 43 would provide the limitation in claiming both recovery of loss or damages and damages based on an account of profits.

Clause 44 would provide for the destruction or delivery of the goods by Order of the High Court.

Clause 45 would provide for any other remedy that maybe provided by law.

Clause 46 would provide for the Minister to amend the Schedules to the Act by Order.

Clause 47 would provide for the Act to bind the State.

Clause 48 would provide for the expiry of the Act.
