**Section 7 (1) (a) (iv)**  
**Literature available by subscription**

The PATT does not currently publish any documents that are available by way of subscription.

**Section 7 (1) (a) (v)**  
**Procedure to be followed when accessing documents from the PATT**

PATT's policy is to answer all requests, both oral and written, for information. However, in order to exercise the rights given to the applicant by the FOIA (for example the right to challenge a decision if the request for information is refused), the applicant must make the request in writing. The under-mentioned guidelines should be followed when making a request:

**HOW TO REQUEST INFORMATION:**

**General Procedure**

- Obtain an FOIA application form (Request for Access to Official Documents) available from the Government FOIA Unit on its website address: [www.foia.gov.tt](http://www.foia.gov.tt) in order to access information that is not readily available to the public.

**ADDRESSING REQUESTS**

- To facilitate prompt handling of your request, please address it to the Designated Officer of the PATT (see Section 7 (1) (a) (vi)). Details of the Designated Officers for the Port Authority are provided at page 6 of this statement.

**DETAILS IN THE REQUEST**

- Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If the applicant is not sure how to write the request or what details to include, please communicate with the Designated Officer.

**REQUESTS NOT HANDLED UNDER THE FOIA**

- A request under the FOIA will not be processed to the extent that it asks for information which is readily available to the public.
- Copies of documents are only furnished when they are in the PATT's possession, custody or power. Prior to the commencement of the FOIA, old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time periods for keeping of records before they may be destroyed, for example the Exchequer and Audit Act, Chap 69:01. If PATT cannot make a legible copy of a document to be released, it may not attempt to reconstruct it. Instead the PATT, will furnish the best copy possible and note its quality in the reply. Please note, the PATT is not compelled to do the following:
  - Create new documents. For example, we are not required to write a new programme so that a computer will print information in the format you prefer.
  - Perform research for the applicant.
- A request is deemed to be received when the original hard copy of the completed request for it is received by the Designated Officer, the General Manager, Port Secretary or the Legal Department.

**TIME LIMITS**

**General**

- The FOIA sets a time limit of 30 calendar days from the date the request was received for determination of the request for access to documents. If PATT fails to meet this deadline, the FOIA gives the applicant the right to proceed, as though your request was denied. The PATT will try diligently to comply with the time limit. If it appears that processing the applicant's request may take longer than the statutory limit, the PATT will advise the applicant of its status or seek an extension of time.
- Upon any consultation between you the applicant and the Designated Officer, time is suspended in the computation of the 30-day period (Sec. 21 (7)).

**TIME ALLOWED**

- The PATT is required to furnish copies of documents that are in its possession or custody or that can be retrieved from storage as soon as practicable.
- Applicants will be notified within thirty (30) calendar days

2023 PUBLIC STATEMENT OF THE PORT AUTHORITY OF  
TRINIDAD AND TOBAGO—CONTINUED

**Section 7 (1) (a) (iv)****Literature available by subscription**

The PATT does not currently publish any documents that are available by way of subscription.

**Section 7 (1) (a) (v)****Procedure to be followed when accessing documents from the PATT**

PATT's policy is to answer all requests, both oral and written, for information. However, in order to exercise the rights given to the applicant by the FOIA (for example the right to challenge a decision if the request for information is refused), the applicant must make the request in writing. The under-mentioned guidelines should be followed when making a request:

**HOW TO REQUEST INFORMATION:****General Procedure**

- Obtain an FOIA application form (Request for Access to Official Documents) available from the Government FOIA Unit on its website address: [www.foia.gov.tt](http://www.foia.gov.tt) in order to access information that is not readily available to the public.

**ADDRESSING REQUESTS**

- To facilitate prompt handling of your request, please address it to the Designated Officer of the PATT (see Section 7 (1) (a) (vi)). Details of the Designated Officers for the Port Authority are provided at page 6 of this statement.

**DETAILS IN THE REQUEST**

- Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If the applicant is not sure how to write the request or what details to include, please communicate with the Designated Officer.

**REQUESTS NOT HANDLED UNDER THE FOIA**

- A request under the FOIA will not be processed to the extent that it asks for information which is readily available to the public.

- Copies of documents are only furnished when they are in the PATT's possession, custody or power. Prior to the commencement of the FOIA, old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time periods for keeping of records before they may be destroyed, for example the Exchequer and Audit Act, Chap 69:01. If PATT cannot make a legible copy of a document to be released, it may not attempt to reconstruct it. Instead the PATT, will furnish the best copy possible and note its quality in the reply. Please note, the PATT is not compelled to do the following:
  - Create new documents. For example, we are not required to write a new programme so that a computer will print information in the format you prefer.
  - Perform research for the applicant.

- A request is deemed to be received when the original hard copy of the completed request for it is received by the Designated Officer, the General Manager, Port Secretary or the Legal Department.

**TIME LIMITS****General**

- The FOIA sets a time limit of 30 calendar days from the date the request was received for determination of the request for access to documents. If PATT fails to meet this deadline, the FOIA gives the applicant the right to proceed, as though your request was denied. The PATT will try diligently to comply with the time limit. If it appears that processing the applicant's request may take longer than the statutory limit, the PATT will advise the applicant of its status or seek an extension of time.
- Upon any consultation between you the applicant and the Designated Officer, time is suspended in the computation of the 30-day period (Sec. 21 (7)).

**TIME ALLOWED**

- The PATT is required to furnish copies of documents that are in its possession or custody or that can be retrieved from storage as soon as practicable.
- Applicants will be notified within thirty (30) calendar days in accordance with section 15 of the FOIA, or before whether or not a request has been approved.
- Applicants whose requests are incomplete or unclear will be informed of same by the FOIA Designated Officer who will

seek clarification from the applicant

- The time limit of thirty (30) days will be suspended while consultation with the applicant is being undertaken, and resumes on the day the applicant confirms or alters the request.
