Section 7 (1) (a) (iv)**Literature Available by Subscription:**

The MTCA currently has no literature available by way of subscription services.

Section 7 (1) (a) (v)**Procedure to be followed when accessing a document from the MTCA:****How to Request Information****• General Procedure**

The MTCA's policy is to answer all requests, both oral and written, for information. However, in order to exercise the rights given to an applicant by the FOIA (for example, the right to challenge a decision if a request for official documents is refused), **the applicant must make their request in writing.** The applicant must therefore, complete the appropriate form (Request for access to Official Documents) which is available from the Designated Officer of the MTCA or at the website www.foia.gov.tt for information that is not readily available to the public.

Addressing Requests

To facilitate prompt handling of request(s), request(s) should be addressed to the Designated Officer of the MTCA. See Section 7 (1) (a) (vi).

Details in the Request

Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If an applicant is unsure as to how to write their request or what details to include, the applicant should communicate with the Designated Officer of the MTCA.

Requests not handled under the FOIA

A request under the FOIA will not be processed if the information asked for is readily available to the public or available within the public domain.

• Responding to your Request**Retrieving Documents**

The MTCA is required to furnish copies of official documents only when these documents are in the MTCA's possession or can be retrieved from its storage.

Note

Prior to the commencement of the FOIA, old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations, and manuals give the time periods for keeping records before they may be destroyed, e.g. the Exchequer and Audit Act, Chap. 69:01.

Furnishing Documents

An applicant is, subject to the provisions of the FOIA, entitled to copies of information which the MTCA has in its possession, custody or power. The MTCA is required to furnish only one (1) copy of a document. If the MTCA cannot make a legible copy of a document to be released, the MTCA may not attempt to reconstruct it. Instead, the MTCA will furnish the best copy possible and note this quality in its reply to the applicant.

Please note we are not compelled to do the following:

- Create new documents. For example, the MTCA is not required to write a new program so that a computer will print information in the format which an applicant prefers; or
- Perform research for an applicant.

Time Limits

The MTCA will determine whether to grant an applicant's request for access to information as soon as practicable but no later than thirty (30) days as required by Section 15 of the FOIA. Applicants whose requests are incomplete or unclear will be promptly informed of same by the Designated Officer who will make arrangements to consult with the applicant with a view to clarifying the request. The time limit of thirty (30) days will be suspended while consultation with the applicant is being undertaken, and resumes on the day the applicant confirms or alters the request.

Every effort will be made by the MTCA to comply with the timeframe set out in the FOIA, but where the processing of a request unavoidably may take longer than the statutory limit, the MTCA will advise the applicant by letter and ask for an additional period of time to provide the information.

If a decision is taken to grant access to the information requested, the applicant will be permitted to inspect the documents and/or be provided with copies. Applicants whose request for documents is refused, will be notified by the Designated Officer in writing of the reasons for refusal. The Designated Officer will consult with the applicant about alternative recourses that are open to him/her.

Fees and refunds

Section 17(1) of the FOIA stipulates that no fee shall be charged by a public authority for the making of a request for access to an official document. However, where access to an official document is to be given in the form of printed copies, or copies in some form such as a tape, disk, film or other material, the applicant shall pay the prescribed fee incurred for duplication of the said material.

Section 7 (1) (a) (vi)**Officers responsible for discharge of FOIA statutory duties****Officers in the MTCA are responsible for:**
