NP's policy is to answer all requests, both oral and written, for information. However, in order to have the rights given to you by the FOIA (for example the right to challenge a decision if your request for information is refused), you must make your request in writing. The following procedure should be followed when making a request:

How to request information:

1. General Procedure
Applicants may obtain an FOIA application form (*Request for Access to Official Documents*) available in our Library, Company Secretariat or from the Government FOIA Unit on its website address: www.foia.gov.tt in order to access information that is not readily available to the public.
2. Addressing Requests
To facilitate prompt handling of your request, please address it to the Designated Officer of the Company (see Section 7 (1) (a) (vi)).
3. Details in the Request
Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided clarification will be sought from the applicant. If you are not sure how to write your request or what details to include, please communicate with the Designated Officer (as named in section 7 (1) (a) (vi)).
4. Requests not handled under the FOIA
A request under the FOIA will not be processed to the extent that it asks for information, which is readily available to the public.
5. Furnishing Documents
Copies of documents are only furnished when they are in our possession, custody or power. Prior to the commencement of the Freedom of Information Act Chapter 22:02, old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time periods for keeping records before they may be destroyed. For example, The Exchequer and Audit Act, Chapter 69:01. If we cannot make a legible copy of a document to be released, we may not attempt to reconstruct it. Instead, we will furnish the best copy possible and note its quality in our reply. Please note we are not compelled to do the following:
 - a. Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.
 - b. Perform research for you.

A request is to be deemed to be received when the original of the completed request form is received by the Designated Officer, the Manager Legal & Company Secretary's Office or in the Legal Department of the Company and a written acknowledgement is issued.

For all life's journeys

6. Time Limits

General

The FOIA sets a time limit of thirty (30) calendar days from the date the request was received for determination of your request for access to documents. If we fail to meet this deadline, the FOIA gives you the right to proceed as though your request has been denied. We will try diligently to comply with the time limit. If it appears that processing your request may take longer than the statutory limit, we will advise you of its status.

Upon any consultation between the applicant and the Designated Officer, time is suspended in the computation of the thirty-day period (Sec. 21(7)).

Time Allowed

We will determine whether to grant your request for access to information as soon as practicable but no later than 30 calendar days from the date the request was received as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be permitted to inspect the documents and/or be provided with copies.
