The procedure to be followed when accessing documents from the PCA.

1. How to request information:

• General Procedure

The PCA's policy is to answer all requests, both oral and written, for information. However, in order to exercise the rights given by the FOIA (for example the right to challenge a decision if a request for information is refused), a request must first be made in writing. An applicant seeking information that is not readily available in the public domain, must complete the appropriate form (Request for Access to Official Documents) available from the PCA's Reception Desk or from its Designated Officer.

• Addressing Request

To facilitate the prompt handling of a request, it should be addressed to the Designated Officer of the PCA mentioned in SECTION 7 (1) (a)(vi) herein.

• Details in the Request

An applicant should provide details that will allow for ready identification and location of the information that is being requested. If insufficient information is provided clarification will be sought from the applicant. An applicant who is unsure of how to write a request or of what details to include should inquire of the Designated Officer.

• Request not handled under the FOIA

A request under the FOIA may not be processed to the extent that it seeks information that is readily available in the public domain, either from the PCA or from another public authority (e.g. brochures etc.)

2. Responding to your Request

• Retrieving Documents

The PCA is required to furnish copies of documents only when those documents are in its possession, custody or control.

• Furnishing Documents

The PCA is required to furnish only one copy of a document. If it cannot make a legible copy of the document to be released, it will not attempt to reconstruct it, instead the best copy possible will be furnished.

The PCA is not compelled to do the following:

- (a) Create new documents, or
- (b) Perform research for an applicant.

3. Time Limits

General

Applicants will be notified within thirty (30) calendar days whether or not the request is approved. The PCA will try assiduously to ensure compliance with statutory time limits. If the PCA believes that the processing of your request may exceed the statutory time limit, we will acknowledge receipt of your request and undertake to advise you of its status. You are advised to call the Designated Officer to ensure that the PCA is in receipt of your request and to acquire an update on its status in light of the possibility that requests may be incorrectly addressed or misdirected.

Time Allowed

The PCA will advise you of the outcome of your request for access to information as soon as practicable but no later than thirty (30) calendar days from the date the request was received as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be permitted to inspect the documents and/or be provided with copies.

4. Fees and Charges

Section 17 (1) stipulates that no fee shall be charged by a public authority for the making of a request for access to an official document. However, where access to an official document is to be given in the form of printed copies or copies in some other form, such as a tape, disk, film or other material, the applicant will be required to pay the prescribed fee incurred for duplication of the said material.
